MY MISSION

When I look around I see a hurt and damaged world full of hurt and damaged people. My mission is to encourage others to promote healing and authenticity through my published works, through my self-help blog, *Authentically Anne*, and through speaking engagements. I want people to know that there are no barriers to success and self-love, only the ones that we place in our own way.

Qualifications

I have 7+ experience as a Corporate Trainer and a MBA with a specialization in Leadership. I am an ICF Certified Life Coach and have my own practice, Authentic Coaching, LLC. Published author of children's book "Cruz Finds His Way" & self-help book, "Walking the Road to Self-Love"
